

CAMP PHILOSOPHY

Our philosophy is very simple; kids learn when they are enjoying what they are doing, So we make all coaching sessions fun, while focusing on teaching soccer skills at the same time. We believe that players will take it upon themselves to improve, if they enjoy the activity they are participating in!!!

About Soccer ETC. International

All staff coaches are hand picked for their experience as coaches and teachers, as much as for their love of the game and their ability to pass this quality onto the kids!!
